RETURN FORM

I am declaring that I want to exchange the above order, for the following reasons (choose one of the two reasons below according to your case and specify):

PRODUCT IN GOOD CONDITION

The product is in good condition and responds to what I ordered, but I decided I want to return it. I recognize that the shipping cost to return my order to SGS KIDS Private Company burdens me.

I would like to receive by email a credit code, valid for 3 months, equal to the value of the returned product, less any shipping costs, to be used on milkshakesanddreams.com

I would like to receive a refund to the credit card I used for this order or to my bank account (in case of cash on delivery or bank transfer), less any shipping or cash on delivery costs.

DEFECTIVE OR INCORRECT PRODUCT

I received a product which shows the following defects or characteristics that do not correspond to the product I ordered:

I paid the returned product by credit card, cash on delivery or bank transfer and I wish to receive a credit code equal to the amount corresponding to this transaction, so I can redeem it in a future order.

I paid the returned product by credit card and I wish for my credit card to be refunded to the amount corresponding to this transaction.

I paid the returned product by cash on delivery or bank transfer and I wish for my bank account to be refunded to the amount corresponding to this transaction.
